Ultimate hiking experience in the wilderness of Bohemian Switzerland

Get picked up at your hotel in Prague and dive straight into the wilderness. This 1-day tour takes you through the best viewpoints. You will take incredible photos from the Pravcicka Gate, Europe's biggest sandstone arch and then continue along the ridge of Europe's largest sandstone canyon with the majestic Elbe River curving at the bottom, the various rock formations around and the table mountains on the horizon.

Edmund's Gorge

After a delicious á la carte lunch and drinks at one of the best local restaurants, you will round your adventurous day with the magical dinghy ride through the steep, moss-covered ravines of the Gorges of the Kamenice River.

Pack your hiking boots and let's get rolling!
