Resort Dymník <http://www.dymnik.cz/>

Enjoy a stay at the very end of the world, surrounded by unspoiled nature and be recharged with the energy of the stone tree of life.

Resort Dymník is located on a hill of an extinct volcano 3 km from the town of Rumburk. It consists of two separate buildings, in close proximity of which are spreading forests and meadows, over which tower Dymník rises.

Restaurant & Pension Dymník with honest Czech cuisine offers four double and one four-bedded room, a hall for weddings or other events.

Hotel Dymník consists of one triple room, three double rooms, five four-bed rooms and one apartment with three bedrooms, living room and own kitchen. Each room boasts views of the Rumburk countryside.

Resort Dymník is surrounded by the lush nature of the Lusatian Mountains. For active guests who like to try something new, there is the largest football-golf course in the Czech Republic, or you can take a trip along the marked trails, which start a few tens of meters from the hotel. Also included is the so-called Stone Tree of Life. The Tree of Life is a remarkable building made up of 23

slender obelisks.

There is only one way to our resort, so you can't get lost.

The dance hall at Dymník offers 200 seats:

- Wedding receptions
- social evenings
- training and educational events
- balls
